The Public Market also has occasional musical performances by locals, this is enjoyed at the outside seating area.

Here at the waterside people are able to enjoy the view of the bridge and far mountains.

At Granville island there are many shops close by, there is also the popular Kids Market and Public Market to visit.

Inside the Public Market there is a wide variety of fruits, vegetables, and meats.

Inside the Public Market there is also a handful of places to buy lunch, or get the ingredients needed to make it.
